### **PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON MARCH 25, 2014**

---

#### **PROXY STATEMENT**

This proxy statement (the “Proxy Statement”) is furnished in connection with the solicitation of proxies by the Board of Directors of Special Opportunities Fund, Inc. (the “Fund”) for use at the Annual Meeting of Stockholders (the “Meeting”) to be held on March 25, 2014, at 2:00 PM, Eastern time, at the offices of U.S. Bancorp Fund Services, LLC, 615 East Michigan Street, Milwaukee, Wisconsin 53202, and at any and all adjournments or postponements thereof. A form of proxy for each of the holders of shares of the Fund’s common stock and preferred stock (collectively, the “Stockholders”) is enclosed herewith. This Proxy Statement and accompanying forms of proxy are being first mailed to Stockholders on or about February 18, 2014.

The presence, in person or by proxy, of Stockholders entitled to cast a majority of the votes entitled to be cast at the Meeting (i.e., the presence of a majority of the outstanding shares of capital stock of the Fund on the record date, February 5, 2014) is necessary to constitute a quorum for the transaction of business. In the event that a quorum is not present at the Meeting, or if a quorum is present at the Meeting but sufficient votes to approve any of the proposals are not received, the chairman of the Meeting may adjourn the Meeting, or the persons named as proxies may propose one or more adjournments of the Meeting to a date not more than one hundred twenty (120) days after the original record date to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of a majority of those shares represented at the Meeting in person or by proxy. A Stockholder vote may be taken on one or more of the proposals in this Proxy Statement prior to any such adjournment if sufficient votes have been received and it is otherwise appropriate. The persons named as proxies will vote those proxies that they are entitled to vote “FOR” or “AGAINST” any such proposal in their discretion.

Stockholders can vote by Internet by going to the following website address, [www.proxyvote.com](http://www.proxyvote.com); by telephone by calling 1-800-454-8683; or by mail by completing the proxy card and returning it in the envelope provided. If the enclosed proxy is executed and returned, or an internet or telephonic vote is delivered, that vote may nevertheless be revoked at any time prior to its use by written notification received by the Fund, by the execution of a later-dated proxy, by the Fund’s receipt of a subsequent valid internet or telephonic vote, or by attending the Meeting and voting in person. To be effective, such revocation must be received by the Fund prior to the Meeting and must indicate the Stockholder’s name and account number. Unrevoked proxies will be voted in accordance with the specifications therein and, unless

specified to the contrary, will be voted “FOR” the election of the nominees for Director and “FOR” the authorization of the Adviser to continue to vote proxies received by the Fund from any closed-end investment company in the Fund’s portfolio on any proposal (including the election of directors) in a manner which the Adviser reasonably determines is likely to favorably impact the discount of such investment company’s market price as compared to its net asset value).

In general, abstentions and broker non-votes (reflected by signed but unvoted proxies), as defined below, count for purposes of obtaining a quorum but do not count as votes cast with respect to any proposal where the broker does not have discretion. With respect to a proposal requiring the affirmative vote of a majority of the Fund’s outstanding shares of common stock or preferred stock, the effect of abstentions and broker non-votes is the same as a vote against such proposal. Otherwise, abstentions and broker non-votes will have no effect on a proposal requiring a plurality of votes cast for approval (i.e., Proposals 1(a) and 1(b)) or on a proposal which requires a majority of the votes validly cast (i.e., Proposal 2). Broker non-votes occur when shares, held in the name of the broker or nominees for whom an executed proxy is received by the Fund, are not voted on a proposal because voting instructions have not been received from the beneficial owners or persons entitled to vote and the broker or nominee does not have discretionary voting power.

Only holders of issued and outstanding shares of the Fund’s common stock and/or preferred stock of record on the close of business on February 5, 2014 are entitled to notice of, and to vote at, the Meeting. Each such holder is entitled to one vote per share of common stock and one vote per share of preferred stock so held. On February 5, 2014, there were 7,829,509 shares of the Fund’s common stock issued and outstanding and 632,996 shares of the Fund’s preferred stock issued and outstanding. The Fund is a closed-end, management investment company.

A copy of the Fund’s most recent semi-annual report for the period ended June 30, 2013 and the Fund’s most recent annual report for the fiscal year ended December 31, 2013 may be obtained by visiting the Fund’s website at [www.specialopportunitiesfundinc.com](http://www.specialopportunitiesfundinc.com) or may be ordered free of charge by any Stockholder by writing to the Fund c/o U.S. Bancorp Fund Services, LLC, 615 East Michigan Street, Milwaukee, Wisconsin 53202, or by telephone at 1-877-607-0414. These reports are also available on the U.S. Securities and Exchange Commission’s (the “SEC”) website at [www.sec.gov](http://www.sec.gov). The Fund’s most recent annual report is being mailed to Stockholders on or about February 27, 2014.

### **Required Vote for Adoption of Proposals.**

Proposal 1(a) (to elect four Directors to the Fund’s Board of Directors, to be elected by the holders of the Fund’s common stock and preferred stock, voting together as a single class, to serve until the Fund’s next Annual Meeting of Stockholders in 2014 and until their successors have been duly elected and qualified) requires the affirmative vote of a plurality of the votes cast at the Meeting by the holders of the Fund’s common stock and preferred stock, in person or by proxy, on such Proposal, provided a quorum is present. All of the outstanding shares of the Fund’s common stock and preferred stock will vote together as a single class.

Proposal 1(b) (to elect two Directors to the Fund's Board of Directors, to be elected by the holders of the Fund's preferred stock, voting as a separate class, to serve until the Fund's next Annual Meeting of Stockholders in 2014 and until their successors have been duly elected and qualified) requires the affirmative vote of a plurality of the votes cast at the Meeting by the holders of the Fund's preferred stock, in person or by proxy, on such Proposal, provided a quorum is present. All of the outstanding shares of the Fund's preferred stock will vote together as a single class.

Proposal 2 (to instruct the Adviser to continue to vote proxies received by the Fund from any closed-end investment company in the Fund's portfolio on any proposal (including the election of directors) in a manner which the Adviser reasonably determines is likely to favorably impact the discount of such investment company's market price as compared to its net asset value) requires the affirmative vote of a majority of the votes validly cast.

## SUMMARY OF PROPOSALS

The Proposals described in this Proxy Statement and the classes to which they apply are set forth below:

PROPOSAL	AFFECTED CLASS(ES)	
	Common Stock	Preferred Stock
Proposal 1(a) – To elect four Directors to the Fund’s Board of Directors	Common Stockholders, voting together with the Preferred Stockholders as a single class	Preferred Stockholders, voting together with the Common Stockholders as a single class
Proposal 1(b) – To elect two Directors to the Fund’s Board of Directors	N/A	Preferred Stockholders, voting as a separate class
Proposal 2 – To instruct the Adviser to continue to vote proxies received by the Fund from any closed-end investment company in the Fund’s portfolio on any proposal (including the election of directors) in a manner which the Adviser reasonably determines is likely to favorably impact the discount of such investment company’s market price as compared to its net asset value	Common Stockholders, voting together with the Preferred Stockholders as a single class	Preferred Stockholders, voting together with the Common Stockholders as a single class

**PROPOSAL 1(A): TO ELECT FOUR DIRECTORS TO THE FUND'S BOARD OF DIRECTORS, TO BE ELECTED BY THE HOLDERS OF THE FUND'S COMMON STOCK AND PREFERRED STOCK, VOTING TOGETHER AS A SINGLE CLASS, TO SERVE UNTIL THE FUND'S NEXT ANNUAL MEETING OF STOCKHOLDERS IN 2014 AND UNTIL THEIR SUCCESSORS HAVE BEEN DULY ELECTED AND QUALIFIED**

Proposal 1(a) relates to the election of four Directors to the Fund's Board of Directors, which Directors are to be elected by the holders of the Fund's common stock (the "Common Stockholders") and preferred stock (the "Preferred Stockholders"), voting together as a single class. The Board of Directors has nominated James Chadwick, Andrew Dakos, Gerald Hellerman and Charles Walden to be elected by the Common Stockholders. Each of Messrs. Chadwick, Dakos, Hellerman and Walden currently serves on the Board of Directors.

In the event that one or all of the nominees become unavailable for election for any presently unforeseen reason, the persons named in the form of proxy will vote for any successor nominee who shall be designated by the present Board of Directors. Each of Messrs. Chadwick, Dakos, Hellerman and Walden shall be elected by a plurality of the shares of common stock and preferred stock voting at the Meeting.

At the Meeting, the Common Stockholders and the Preferred Stockholders will be asked to vote for the election of Messrs. Chadwick, Dakos, Hellerman and Walden. If elected, Messrs. Chadwick, Dakos, Hellerman and Walden will each serve until the Fund's next Annual Meeting of Stockholders in 2014 or thereafter until each of their respective successors are duly elected and qualified. If elected, Messrs. Chadwick, Dakos, Hellerman and Walden have each consented to serve as Director of the Fund until his successor is duly elected and qualified.

The persons named in the accompanying forms of proxy intend to vote at the Meeting (unless directed not to vote) "FOR" the election of Messrs. Chadwick, Dakos, Hellerman and Walden. The nominees named above have indicated that they will serve if elected, and the Board of Directors has no reason to believe that the nominees will become unavailable for election as Directors; however, if Messrs. Chadwick, Dakos, Hellerman and Walden should be unable to serve, the proxy will be voted for any other persons determined by the persons named in the accompanying forms of proxy in accordance with their judgment.

**Required Vote.** Messrs. Chadwick, Dakos, Hellerman and Walden must each be elected by a plurality (i.e., a simple majority of the votes cast at the Meeting) of the votes cast by the Common Stockholders and Preferred Stockholders, voting together as a single class, present in person or represented by proxy at the Meeting, provided a quorum is present. Abstentions and broker non-votes will be counted as shares present for quorum purposes, but otherwise will have no effect on the plurality vote required for each Director.

**PROPOSAL 1(B): TO ELECT TWO DIRECTORS TO THE FUND'S BOARD OF DIRECTORS, TO BE ELECTED BY THE HOLDERS OF THE FUND'S PREFERRED STOCK, VOTING AS A SEPARATE CLASS, TO SERVE UNTIL THE FUND'S NEXT ANNUAL MEETING OF STOCKHOLDERS IN 2014 AND UNTIL THEIR SUCCESSORS HAVE BEEN DULY ELECTED AND QUALIFIED**

Proposal 1(b) relates to the election of two Directors to the Fund's Board of Directors, which Directors are to be elected by the Preferred Stockholders, voting as a separate class. The Board of Directors has nominated Phillip Goldstein and Ben Harris to be elected by the Preferred Stockholders. Each of Messrs. Goldstein and Harris currently serves on the Board of Directors.

In the event that one or both of the nominees become unavailable for election for any presently unforeseen reason, the persons named in the form of proxy will vote for any successor nominee who shall be designated by the present Board of Directors. Each of Messrs. Goldstein and Harris shall be elected by a plurality of the shares of preferred stock voting at the Meeting.

At the Meeting, the Preferred Stockholders will be asked to vote for the election of Messrs. Goldstein and Harris. If elected, Messrs. Goldstein and Harris will each serve until the Fund's next Annual Meeting of Stockholders in 2014 or thereafter until each of their respective successors are duly elected and qualified. If elected, Messrs. Goldstein and Harris have each consented to serve as Director of the Fund until his successor is duly elected and qualified.

The persons named in the accompanying forms of proxy intend to vote at the Meeting (unless directed not to vote) "FOR" the election of Messrs. Goldstein and Harris. The nominees named above have indicated that they will serve if elected, and the Board of Directors has no reason to believe that the nominees will become unavailable for election as Directors; however, if Messrs. Goldstein and Harris should be unable to serve, the proxy will be voted for any other persons determined by the persons named in the accompanying forms of proxy in accordance with their judgment.

**Required Vote.** Messrs. Goldstein and Harris must each be elected by a plurality (i.e., a simple majority of the votes cast at the Meeting) of the votes cast by the holders of shares of the Fund's common stock, present in person or represented by proxy at the Meeting, provided a quorum is present. Abstentions and broker non-votes will be counted as shares present for quorum purposes, but otherwise will have no effect on the plurality vote required for each Director.

On January 27, 2014, the Fund announced that the Board of Directors has determined to redeem all of the outstanding shares of the Fund's preferred stock at 5 pm EST on March 3, 2014 at \$50 per share. If, prior to the date of the Meeting, no shares of preferred stock remain outstanding, then the directors nominated for election by Preferred Stockholders, if elected, will remain on the Board of Directors until the Fund's next Annual Meeting of Stockholders in 2014 and until their successors have been duly elected and qualified.

The Board believes that the significance of each Director’s experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single Director, or particular factor, being indicative of the Board’s effectiveness. The Board determined that each of the Directors is qualified to serve as a Director of the Fund based on a review of the experience, qualifications, attributes and skills of each Director. In reaching this determination, the Board has considered a variety of criteria, including, among other things: character and integrity; ability to review critically, evaluate, question and discuss information provided, to exercise effective business judgment in protecting stockholder interests and to interact effectively with the other Directors, the Adviser, other

service providers, counsel and the independent registered public accounting firm (“independent auditors”); and willingness and ability to commit the time necessary to perform the duties of a Director. Each Director’s ability to perform his duties effectively is evidenced by his experience or achievements in the following areas: management or board experience in the investment management industry or companies in other fields, educational background and professional training; and experience as a Director of the Fund. Information as of February 5, 2014 indicating the specific experience, skills, attributes and qualifications of each Director which led to the Board’s determination that the Director should serve in this capacity is provided below.

*James Chadwick.* Mr. Chadwick has been a Director of SPE since 2009. He has over 15 years of investment management experience, selecting investments, managing risk and managing investment pools of capital. Mr. Chadwick previously worked with a large accounting firm auditing public companies. He has served as a director of four other public companies and has served on certain of their audit, governance, nominating and compensation committees.

*Andrew Dakos.* Mr. Dakos has been the President and a Director of SPE since 2009. He is also a Member of the Adviser. Mr. Dakos has over 12 years of investment management experience. He is currently a principal of Bulldog Holdings, LLC, which owns several entities serving as general partner of seven private investment partnerships. Mr. Dakos is also a director of one other closed-end fund and a specialty finance company.

*Phillip Goldstein.* Mr. Goldstein has been the Chairman of the Board and the Secretary of SPE since 2009. He is also a Member of the Adviser. Mr. Goldstein has 20 years of investment management experience. He is currently a principal of Bulldog Holdings, LLC, which owns several entities serving as general partner of seven private investment partnerships. Mr. Goldstein is also a director of one other closed-end fund, one business development company and a specialty finance company.

*Ben H. Harris.* Mr. Harris has been a Director of SPE since 2009. He has extensive experience in the management of private and public entities, highly regulated entities and corporate restructurings. In addition to the Funds, Mr. Harris is currently a director of ten private companies.

*Gerald Hellerman.* Mr. Hellerman has been a Director of SPE since 2009 and its Chief Compliance Officer since January 2010. Mr. Hellerman has more the 40 years of financial experience, including serving as a Financial Analyst and Branch Chief at the U.S. Securities and Exchange Commission and as Chief Financial Analyst at the Antitrust Division of the U.S. Department of Justice for 17 years. He has served as a director of a number of public companies, including registered investment companies, and as a financial and corporate consultant during the period 1993 through 2013.

*Charles C. Walden.* Mr. Walden has been a Director of SPE since 2009. He has over 40 years of experience in investments, including 30 years experience as a chief investment officer in the life insurance industry. He has served on the board of directors of mutual funds for over 15 years, including the investment committees of a healthcare system and a religious diocese. Mr. Walden is a Chartered Financial Analyst.

Specific details regarding each Director's principal occupations during the past five years are included in the table above. The summaries set forth above as to the experience, qualifications, attributes and/or skills of the Directors do not constitute holding out the Board or any Director as having any special expertise or experience, and do not impose any greater responsibility or liability on any such person or on the Board as a whole than would otherwise be the case.

**Board Composition and Leadership Structure.** The Board consists of six individuals, two of whom are Interested Directors of the Adviser, and one of whom is an Interested Director of the Fund but not of the Adviser. The Chairman of the Board, Mr. Goldstein, is an Interested Director and is the Secretary of the Fund and is a principal of the Adviser. The Board does not have a lead independent director.

The Board believes that its structure facilitates the orderly and efficient flow of information to the Directors from the Adviser and other service providers with respect to services provided to the Fund, potential conflicts of interest that could arise from these relationships and other risks that the Fund may face. The Board further believes that its structure allows all of the Directors to participate in the full range of the Board's oversight responsibilities. The Board believes that the orderly and efficient flow of information and the ability to bring each Director's talents to bear in overseeing the Fund's operations is important, in light of the size and complexity of the Fund and the risks that the Fund faces. The Board and its committees review their structures regularly, to help ensure that they remain appropriate as the business and operations of the Fund, and the environment in which the Fund operates, changes.

Currently, the Board has an Audit Committee, Nominating and Corporate Governance Committee and Valuation Committee. The responsibilities of each committee and its members are described below.

**Board's Role in Risk Oversight of the Fund.** The Board oversees risk management for the Fund directly and, as to certain matters, through its committees. The Board exercises its oversight in this regard primarily through requesting and receiving reports from and otherwise working with the Fund's senior officers (including the Fund's President, Chief Compliance Officer and Treasurer), portfolio management and other personnel of the Adviser, the Fund's independent auditors, legal counsel and personnel from the Fund's other service providers. The Board has adopted, on behalf of the Fund, and periodically reviews with the assistance of the Fund's Chief Compliance Officer, policies and procedures designed to address certain risks associated with the Fund's activities. In addition, the Adviser and the Fund's other service providers also have adopted policies, processes and procedures designed to identify, assess and manage certain risks associated with the Fund's activities, and the Board receives reports from

service providers with respect to the operation of these policies, processes and procedures as required and/or as the Board deems appropriate.

**Compensation of Directors.** The Board does not have a standing compensation committee. Currently, each Independent Director receives an annual retainer equal to \$30,000 for serving as a Director and attending the quarterly meetings of the Board, paid quarterly in advance, plus \$1,000 for each special Board meeting attended in person (or \$500 if attended by telephone). Each Independent Director is entitled to receive such compensation for any partial quarter for which he serves.

Directors who are “interested persons” of the Adviser will not receive any compensation for their services as Directors. The Fund does not have a bonus, profit sharing, pension or retirement plan. No other entity affiliated with the Fund pays any compensation to the Directors. The table below details the amount of compensation the Fund’s Directors received from the Fund during the fiscal year ended December 31, 2013.

In addition, since the beginning of the last two fiscal years, neither the Independent Directors nor members of their immediate family have conducted any transactions (or series of transactions) or maintained any direct or indirect relationship in which the amount involved exceeds \$120,000 and to which the Adviser or any of its affiliates was a party.

**THE BOARD OF DIRECTORS, INCLUDING THE INDEPENDENT DIRECTORS, RECOMMENDS THAT YOU VOTE “FOR” PROPOSAL 1(A) FOR ELECTION OF EACH OF THE NOMINEES FOR DIRECTOR AND “FOR” PROPOSAL 1(B) FOR ELECTION OF EACH OF THE NOMINEES FOR DIRECTOR. **PROPOSAL 2: TO INSTRUCT THE ADVISER TO CONTINUE TO VOTE PROXIES RECEIVED BY THE FUND FROM ANY CLOSED-END INVESTMENT COMPANY IN THE FUND'S PORTFOLIO ON ANY PROPOSAL (INCLUDING THE ELECTION OF DIRECTORS) IN A MANNER WHICH THE ADVISER REASONABLY DETERMINES IS LIKELY TO FAVORABLY IMPACT THE DISCOUNT OF SUCH INVESTMENT COMPANY'S MARKET PRICE AS COMPARED TO ITS NET ASSET VALUE.**

Proposal 2 relates to the voting of proxies the Fund receives from closed-end investment companies in which it invests. The Fund's investments in the securities of other investment companies are made in compliance with Section 12(d)(1)(F) of the Investment Company Act of 1940, as amended (the "1940 Act"), by (i) limiting its investments so that not more than 3% of the total outstanding stock of any such investment company is owned by the Fund or any of the Fund's affiliated persons and (ii) exercising its voting rights by proxy with respect to any such security purchased in the manner prescribed by subparagraph (E) by (a) authorizing the Adviser, pursuant to standing instructions approved annually by the Stockholders, to vote such proxies on any proposal in a manner in which the Adviser reasonably determines is likely to favorably impact the discount of such investment company's market price as compared to its net asset value and (b) where the Adviser determines that no such proposal will impact the discount of such investment company's market price as compared to its net asset value, instructing the underlying closed-end investment company or its agent that the proxies it holds are to be voted in the same proportion as the vote of all other holders of such security (referred to as "mirror voting"). Section 12(d)(1)(E) of the 1940 Act permits a fund to use mirror voting or to seek instructions from its stockholders with regard to the voting of all proxies with respect to investment company securities and vote all such proxies in accordance with such instructions.

Prior to March 2012, the Fund used mirror voting with regard to the voting of all proxies with respect to investment company securities. At a meeting held on September 22, 2011, however, the Board concluded that under circumstances where the Fund's proxy is sought regarding any proposal that is likely to favorably impact such investment company's market price discount to its net asset value, it would be in the Fund's and the Stockholders' best interests to authorize the Adviser to determine how to vote on such proposal. Consequently, at the annual meeting of the Stockholders held in December 2011, the Board put forth, and the Stockholders approved, a proposal to seek standing instructions from the Stockholders authorizing the Adviser to vote proxies received by the Fund from any closed-end investment company in the Fund's portfolio on any proposal in a manner in which the Adviser reasonably determines is likely to favorably impact the discount of such investment company's market price as compared to its net asset value. On December 13, 2011, the Fund submitted an application for a declaratory order from the SEC that the Fund's implementation of the proxy voting procedure approved by the Stockholders at the annual meeting would not cause the Fund to be in violation of Section 12(d)(1) of the 1940 Act. The Fund stated in the application that it intended to implement the new proxy voting procedure on March 1, 2012 unless the SEC advised it otherwise. Having received no response from the SEC, the Fund implemented the new proxy voting procedure on March 1, 2012. Stockholders may obtain a copy of the Fund's Form N-PX filed with the SEC on August 7, 2013, which contains the Fund's proxy voting record for the twelve-month period ended June 30, 2013, by visiting the Fund's website at [www.specialopportunitiesfundinc.com](http://www.specialopportunitiesfundinc.com), by writing to the Fund c/o U.S. Bancorp Fund Services, LLC, 615 East Michigan Street,

Milwaukee, Wisconsin 53202, or by telephone at 1-877-607-0414. This report is also available on the SEC's website at [www.sec.gov](http://www.sec.gov).

The Board believes that, although not required, it would be best practice for the Board to continue to seek Stockholder approval of the aforementioned proxy voting procedure on an annual basis. Therefore, Proposal 2 seeks authorization from the Stockholders that would serve as a standing instruction from the Stockholders to continue to vote proxies on any proposal that the Adviser reasonably determines is likely to favorably impact the discount of a closed-end investment company's market price as compared to its net asset value. Examples of such proposals include, but are not limited to, the election of directors, proposals to authorize such investment company to conduct a self-tender offer or to convert from a closed-end management investment company to an open-end management investment company. From time to time, certain of these proposals may also be proposed by the Fund or by an affiliate of the Adviser. Where the Adviser determines to vote on a proposal in accordance with the Stockholders' standing instructions, it will vote on all proposals relating to such proxy. However, where the Adviser determines that no proposal will impact the discount of a closed-end investment company's market price as compared to its net asset value, the Adviser will continue to use mirror voting.

In seeking Stockholder approval of Proposal 2, the Fund believes that it is important to disclose to Stockholders that in September 2010, members of the staff of the Division of Investment Management of the SEC (the "Staff") informed the Fund that they had concerns that the Fund might not be in compliance with the exemptive conditions of Section 12(d)(1)(F) of the 1940 Act because the Fund and certain private partnerships might be deemed to be under common control. The Staff members based their concerns on certain public disclosures regarding the ownership and control of the Adviser by certain individuals who also own and control other entities that serve as the general partners and investment advisers to certain private investment partnerships that are excluded from the definition of an investment company by Section 3(c)(1) of the 1940 Act. The Staff cited the SEC's conclusion in *In the Matter of Steadman Security Corp.* (Exchange Act Release No. 13695; Investment Company Act Release No. 9830; Investment Advisers Act Release No. 593) (June 29, 1977), that "the investment adviser almost always controls the fund" in support of its position.

The Board, including all of the Independent Directors, and the Adviser reviewed the matter with their respective counsel and determined that they disagreed with the Staff's position. In December 2010, the Adviser and the Fund filed a joint request for a declaratory order from the SEC that the Adviser does not control the Fund, which, if granted, would resolve the Section 12(d)(1)(F) compliance issue raised by the Staff. In March 2011, the Board and the Adviser made a determination that the joint request for a declaratory order should be deemed to have been temporarily granted under the provisions of Section 2(a)(9) of the 1940 Act because more than 60 days had elapsed since the date the request was filed with the SEC. The Staff has advised the Board and the Adviser that it disagrees with such determination. In June 2011, the Fund and the Adviser submitted a letter to the Staff requesting that the Staff re-evaluate its position regarding whether the Adviser should be deemed to control the Fund based on the recent decision by the U.S. Supreme Court in *Janus Capital Group v. First Derivative Traders*. In *Janus*, the Court ruled that despite the "unique close relationship" between the fund and the adviser, the adviser did not control the fund. Although the position is not free from doubt, the

Fund and the Adviser and their respective counsel continue to believe that the Fund is in compliance with the exemptive conditions of Section 12(d)(1)(F) of the 1940 Act.

The Staff has previously advised the Fund that, in its opinion, the implementation of Proposal 2, if approved by Stockholders, would violate Section 12(d)(1) because the mechanism being proposed by the Fund and the Adviser would not satisfy the requirement of Section 12(d)(1)(e): “to seek instructions from its security holders with regard to the voting of all proxies . . . and to vote such proxies only in accordance with such instructions.” The Staff’s position is that in order to comply with the “seek instructions” requirement, the Fund must seek instructions from Stockholders for each proxy it receives from a closed-end investment company. The Board continues to believe that the Staff’s interpretation is not correct because it would render the option to “seek instructions” virtually useless which the Board believes could not have been Congress’ intent. If Proposal 2 is approved by Stockholders, the Board intends to continue to pursue its options, including seeking declaratory relief from the SEC (to which an application was submitted on December 13, 2011) or a federal court.

On October 16, 2012, in response to its application, the Fund received a letter from the Staff bringing the Fund’s attention to Release No. 6440 (April 6, 1971) in which the SEC took the position that an acquiring fund relying on Section 12(d)(1)(f) of the 1940 Act, and that does not wish to use mirror voting, is required to “make an arrangement with” the acquired fund to solicit proxies from each of the acquiring fund’s security holders. The Board continues to disagree with this position for the reasons stated above.

**Board Considerations.** At its Board meeting held on September 22, 2011, the Board considered a proposal to seek standing instructions from the Fund’s Stockholders authorizing the Adviser to vote proxies received by the Fund from any closed-end investment company in the Fund’s portfolio on any proposal in a manner in which the Adviser reasonably determines is likely to favorably impact the discount of such investment company’s market price as compared to its net asset value. Representatives of the Adviser presented information regarding this proposal to the Board, including examples of proposals the Adviser would consider to have a reasonable likelihood of favorably impacting an investment company’s discount to net asset value. The Board considered the Adviser’s assertion that the authority sought in the proposal was consistent with the Fund’s investment objective and strategy to invest in securities that the Adviser believes have opportunities for appreciation, including closed-end investment companies that trade at a market price discount from their net asset value. The Adviser further asserted that the Fund’s then-existing policy of mirror voting the Fund’s shares of other closed-end investment companies had caused the Fund, from time to time, to vote a percentage of its shares contrary to the Fund’s and the Stockholders’ best interests. The Board also noted that given the proximity of the date of receipt of proxy materials by the Fund to the date of a closed-end investment company’s meeting and the expense of soliciting the Fund’s Stockholders on any specific proposal, the proposal was the only practical way to comply with the requirement in Subparagraph (E) to “seek instructions” from the Stockholders with regard to the voting of proxies. The Board concurred with the Adviser that consistent with the Fund’s investment strategy, it was in the Fund’s and its Stockholders’ best interests to instruct the Adviser to vote proxies on proposals that it deems likely to impact a closed-end fund’s discount rather than utilize mirror voting.

The Board further considered the Adviser's expertise in identifying opportunities for appreciation, including among closed-end investment companies, and that such expertise was an important factor considered when approving the Fund's investment advisory contract with the Adviser in 2010. The Board also noted the approval by the Stockholders of such investment advisory contract. The Board noted the Adviser's disclosure that it was possible that from time to time a proposal for which the Fund's proxy is requested may be made by the Fund or by an affiliate of the Adviser. The Board concluded that this did not preclude the Adviser's ability to determine that such proposal was in the Fund's and the Stockholders' best interests and consistent with the Fund's investment objective and strategy.

The Board consulted with independent counsel regarding the requirements of Section 12(d)(1) and was reasonably satisfied that by seeking and obtaining standing instructions from the Stockholders, through such proposal, to vote proxies received by the Fund from any closed-end investment company in the Fund's portfolio on any proposal in a manner in which the Adviser reasonably determines is likely to favorably impact the discount of such investment company's market price as compared to its net asset value, the requirements of Section 12(d)(1)(E)(ii) could be satisfied.

Based on all of these considerations, at the September 22, 2011 meeting, the Board concluded that it was in the Fund's and the Stockholders' best interests to authorize the Adviser to vote proxies received by the Fund on all proposals (including the election of directors) that the Adviser reasonably determines in its sole discretion is likely to favorably impact the discount of such investment company's market price as compared to its net asset value.

In seeking Stockholder approval of this Proposal 2, the Board continues to believe that the aforementioned considerations which factored into the Board's decision to seek Stockholder approval of the same proposal at the last annual meeting of Stockholders are just as applicable to the Fund now. Furthermore, the Board continues to believe that it is in the Fund's and the Stockholders' best interests to authorize the Adviser to vote proxies received by the Fund on all proposals (including the election of directors) that the Adviser reasonably determines in its sole discretion is likely to favorably impact the discount of such investment company's market price as compared to its net asset value. Therefore, the Board has determined to seek Stockholder approval of this Proposal 2.

**Required Vote.** Approval of Proposal 2 requires the affirmative vote of a majority of the votes validly cast at the Meeting in person or by proxy, provided a quorum is present.

**THE BOARD OF DIRECTORS, INCLUDING THE INDEPENDENT DIRECTORS, RECOMMENDS THAT YOU VOTE "FOR" PROPOSAL 2 TO PROVIDE STANDING INSTRUCTIONS TO THE ADVISER TO CONTINUE TO VOTE PROXIES RECEIVED BY THE FUND FROM ANY CLOSED-END INVESTMENT COMPANY IN THE FUND'S PORTFOLIO ON ANY PROPOSAL (INCLUDING THE ELECTION OF DIRECTORS) IN A MANNER WHICH THE ADVISER REASONABLY DETERMINES IS LIKELY TO FAVORABLY IMPACT THE DISCOUNT OF SUCH INVESTMENT COMPANY'S MARKET PRICE AS COMPARED TO ITS NET ASSET VALUE. ANY SIGNED BUT UNMARKED PROXIES WILL BE SO VOTED "FOR" PROPOSAL 2.**

## **Additional Information about the Board of Directors**

### **Board Meetings and Committees.**

During the fiscal year ended December 31, 2013, each present Director and nominee for Director attended at least 75% of the meetings of the Board and of the Committees of which he is a member, held since his respective election. During the fiscal year ended December 31, 2013, the Board met four times.

**Audit Committee.** The Board has established an Audit Committee that acts pursuant to a written charter (the “Audit Committee Charter”) and whose responsibilities are generally: (i) to oversee the accounting and financial reporting processes of the Fund and its internal control over financial reporting and, as the Audit Committee deems appropriate, to inquire into the internal control over financial reporting of certain third-party providers; (ii) to oversee the quality and integrity of the Fund’s financial statements and the independent audit thereof; (iii) to oversee, or, as appropriate, assist Board oversight of, the Fund’s compliance with legal and regulatory requirements that relate to the Fund’s accounting and financial reporting, internal control over financial reporting and independent audits; (iv) to approve prior to appointment the engagement of the Fund’s independent auditors and, in connection therewith, to review and evaluate the qualifications, independence and performance of the Fund’s independent auditors and the full Board; and (v) to act as liaison between the Fund’s independent auditors and the full Board.

Although the Audit Committee is expected to take a detached and questioning approach to the matters that come before it, the review of the Fund’s financial statements by the Audit Committee is not an audit, nor does the Audit Committee’s review substitute for the responsibilities of the Fund’s management for preparing, or the independent auditors for auditing, the financial statements. Members of the Audit Committee are not full-time employees of the Fund and, in serving on the Audit Committee, are not, and do not hold themselves out to be, acting as accountants or auditors. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct “field work” or other types of auditing or accounting reviews. In discharging their duties, the members of the Audit Committee are entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by: (1) one or more officers of the Fund whom such Director reasonably believes to be reliable and competent in the matters presented; (2) legal counsel, public accountants, or other persons as to matters the Director reasonably believes are within the person’s professional or expert competence; or (3) a Board committee of which the Director is not a member.

The Audit Committee currently consists of Messrs. Chadwick, Harris and Walden. None of the members of the Audit Committee has any relationship to the Fund that may interfere with the exercise of his independence from management of the Fund, and each is independent as defined under the listing standards of the New York Stock Exchange (“NYSE”) applicable to closed-end funds. Mr. Walden is the Chairman of the Audit Committee. During the fiscal year ended December 31, 2013, the Board’s Audit Committee met three times.

**Nominating and Corporate Governance Committee.** The Board has also established a Nominating and Corporate Governance Committee that acts pursuant to a written charter (the

“Nominating and Corporate Governance Committee Charter”). The Nominating and Corporate Governance Committee is responsible for, among other things, identifying and selecting qualified individuals to become Board members and members of Board committees and developing, adopting and periodically monitoring and updating the Fund’s corporate governance principles and policies.

The Nominating and Corporate Governance Committee currently consists of Messrs. Chadwick, Harris and Walden. Mr. Chadwick serves as the Chairman of the Nominating and Corporate Governance Committee. None of the members is an “interested person” for purposes of the 1940 Act, and each is independent as defined under listing standards of the NYSE applicable to closed-end funds. During the fiscal year ended December 31, 2013, the Board’s Nominating and Corporate Governance Committee met twice.

In nominating candidates, the Nominating and Corporate Governance Committee believes that no specific qualifications or disqualifications are controlling or paramount, and that there are no specific qualities or skills necessary for each candidate to possess. In identifying and evaluating nominees for Director, the Nominating and Corporate Governance Committee takes into consideration such factors as it deems appropriate. These factors may include: (i) whether or not the person is an “interested person” as defined in the 1940 Act, meets the independence and experience requirements of the NYSE applicable to closed-end funds and is otherwise qualified under applicable laws and regulations to serve as a member of the Board; (ii) whether or not the person has any relationships that might impair his or her independence, such as any business, financial or family relationships with Fund management, the investment advisor and/or sub-advisors of the Fund, Fund service providers or their affiliates; (iii) whether or not the person is willing to serve, and willing and able to commit the time necessary for the performance of the duties of a Board member; (iv) the person’s judgment, skill, diversity and experience with investment companies and other organizations of comparable purpose, complexity and size and subject to similar legal restrictions and oversight; (v) the interplay of the candidate’s experience with the experience of other Board members; and (vi) the extent to which the candidate would be a desirable addition to the Board and any committees thereof.

The Nominating and Corporate Governance Committee will consider nominees recommended by Stockholders if a vacancy occurs. In order to recommend a nominee, a Stockholder should send a letter to the chairperson of the Nominating and Corporate Governance Committee, c/o the Administrator, 615 East Michigan Street, Milwaukee, Wisconsin 53202, and indicate on the envelope “Nominating and Corporate Governance Committee.” The Stockholder’s letter should state the nominee’s name and should include the nominee’s résumé or curriculum vitae, and must be accompanied by a written consent of the individual to stand for election if nominated by the Board and to serve if elected by Stockholders. Stockholders can send other communications to the Board, c/o the Administrator, 615 East Michigan Street, Milwaukee, Wisconsin 53202.

**Valuation Committee.** The Board has also established a Valuation Committee. Its purpose is to (i) review all monthly reports and any other interim reports regarding the valuation of securities in the Fund’s portfolio, and (ii) review and approve the valuation of all fair valued securities. The Valuation Committee consists of the Board’s three Independent Directors, Messrs. Harris, Chadwick and Walden. Mr. Harris serves as the Chairman of the Valuation

Committee. The Valuation Committee of SPE met four times during the fiscal year ended December 31, 2013.
